

R-Ladies: An update on the local and wider picture

Anna Quaglieri - 30th Nov 2018 - BioC Asia 2018

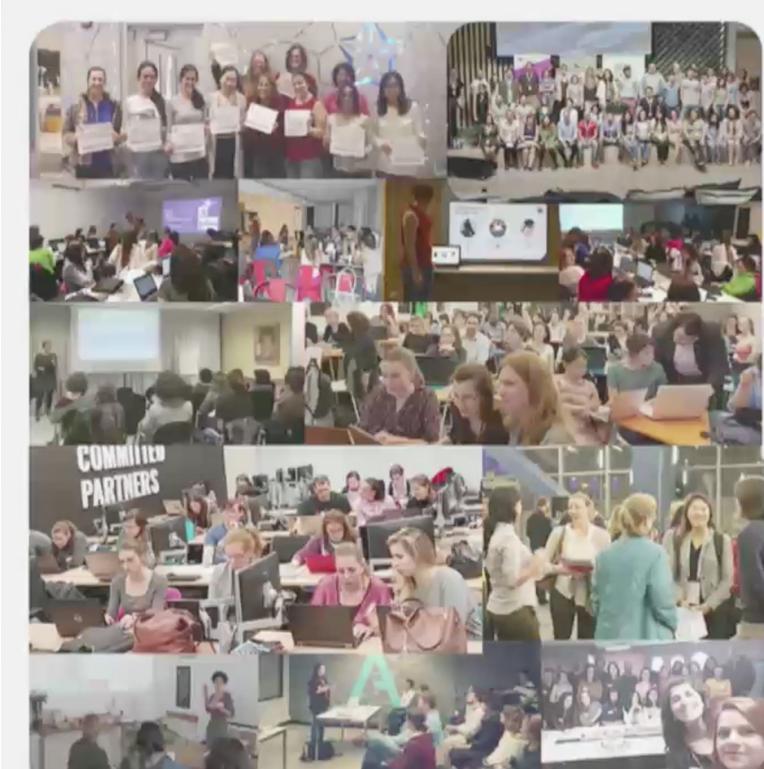

R-Ladies Objectives

Worldwide organization that
promotes **gender diversity** in
the **R** community via **meetups**
and mentorship in a **friendly**
and **safe** environment

R-Ladies Objectives

Our mission

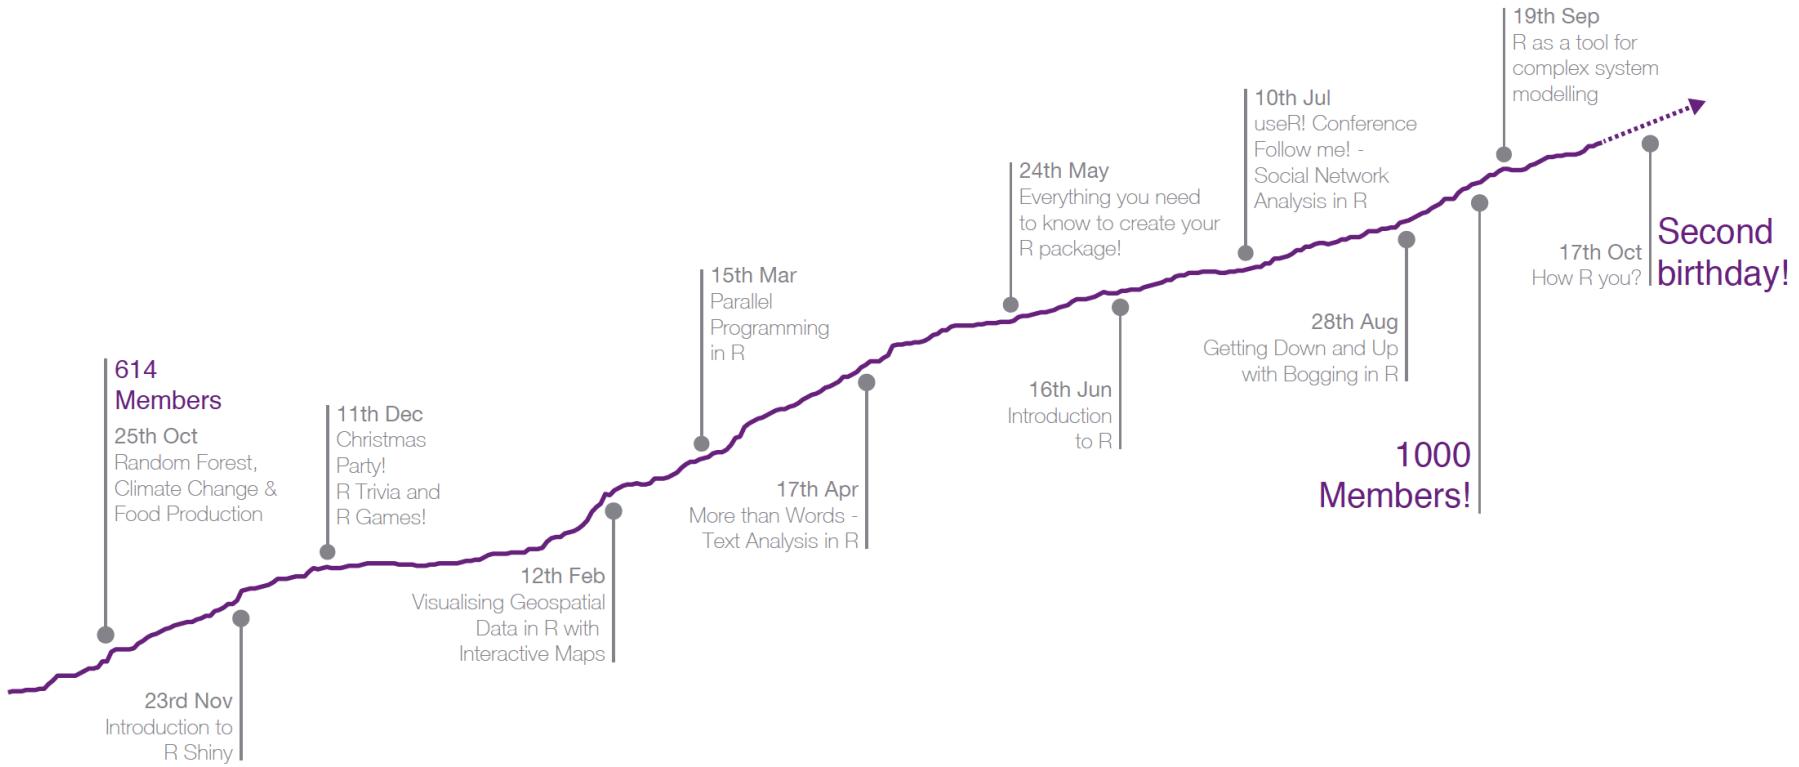

More women/non-binary

- coders
- developers
- speakers
- leaders

More awesome people developing
R packages and being part of the R
community.

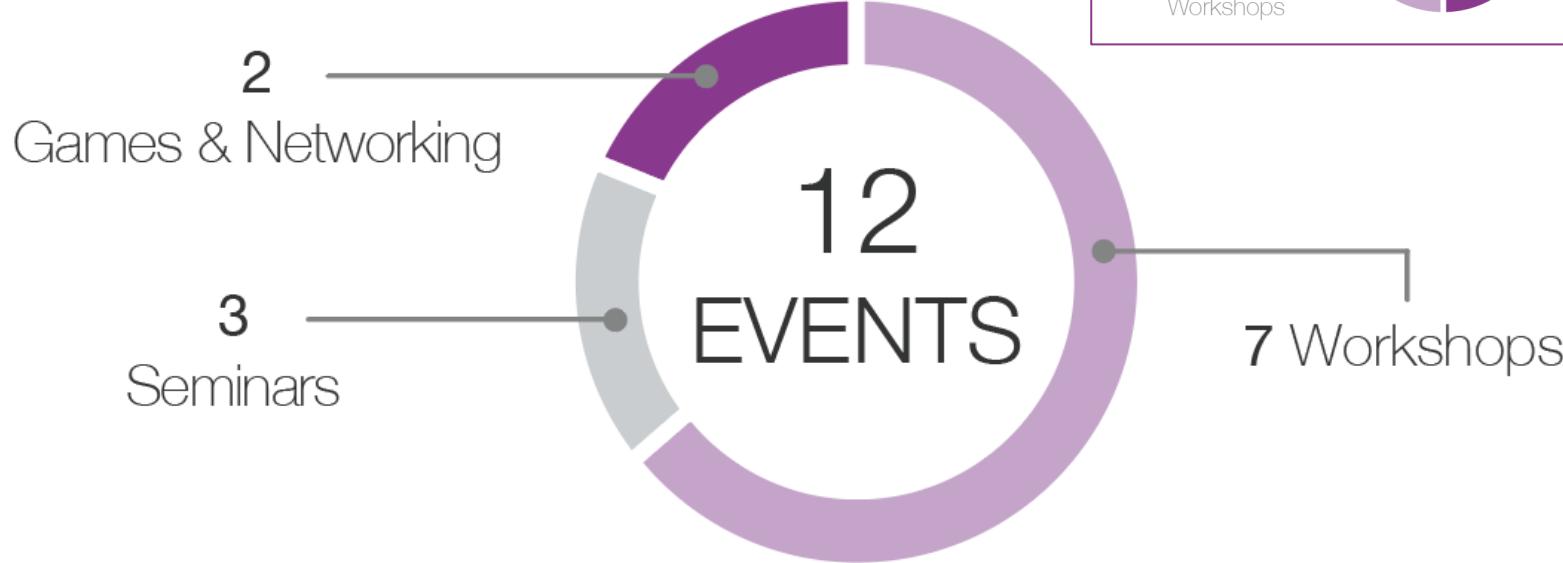

October 2017 - October 2018

October 2017 - October 2018

October 2016 -
October 2017

October 2017 - October 2018

In January we will incorporate
and become a registered
association!

We are always looking for
speakers!

A big thank...

To our faithful sponsors
